

School-Age September Calendar 2023 Classroom News

Hello SA Families! Welcome to all of our new and returning friends starting this school year! Yes summer might be coming to an end, but this Fall will be filled with beautiful colourful leaves and cozy sweaters!

Important Dates:

- 4th – Labour Day (Centre CLOSED)
- 30th – National Day for Truth and Reconciliation (Orange Shirt Day)

Happy Birthday to all of those who celebrate!

Club of the Month:

This month the children have been interested in card games. Once we brought out a deck of cards, the children wanted to learn how to play and teach others all types of fun games. This encouraged everyone with 1.1 Friendship Skills and 4.8 Completing Number Operations. This month we will continue to support new and fun card games to add to our club.

Goal of the Month:

This month our classroom goal will be on Conversing with Peers and Adults. This way we will be able to adapt messages to the needs of the listeners and increase their length of recalled stories. We can all encourage each other in adding more details to our conversations.

Apple Fruit Donuts:

- Apples
- Cream Cheese
- Food Coloring (optional)
- Sprinkles

Step 1. Slice your apples about 3/4" thick. Use a knife, corer, or pastry tip to make a hole in the center.

Step 2. Color your cream cheese if you'd like. We just added a drop of neon food coloring to get these bright colors. Add sprinkles. That's pretty much it! Enjoy this healthier "donut" for kids that makes a yummy and adorable snack.

Friendly Reminders:

- * Please let the centre know via email or phone call if your child will be absent or picked up directly from school
