If your child would like to give Valentine cards to their peers for Valentine's Day, please let us know and the educators in your child's classroom can provide the names of the children in the room. Just a gentle reminder that there cannot be any food items in the classrooms. No food is to be brought into the building due to allergies. Thank you!

This is the month for school registration so if your child is eligible for kindergarten registration the time is now to begin investigating this.

Please observe that Family Day is February 19th, and the centre will be closed on that day.

Let's also remember to be kind to one another and show the love always especially this month, the month of LOVE and KINDNESS!
