

FDK Calendar

Skills we are and will be working on:

This month there is Valentine's Day and Pink Shirt Day so we will work on random acts of kindness by doing kind and thoughtful things for people around us. We will be enhancing our 1.7 Empathy by sharing emotions, communicating and expressing feelings with adults and peers. We will be trying to look at situations from other people perspectives. We will continue to work on and increasing seeing an injustices and taking action to change it.

Join us on 28th on Pink Shirt Day and wear a pink shirt to help raise awareness to create a more kind and inclusive world.
