

# Preschool 1

## Daffodils

Yellow, yellow daffodils

You're dancing in the sun.

Yellow, yellow daffodils

You tell me spring has come.

## Reminders

We will be visiting Early On every Monday from 9:30- 10 across the hall to engage in reading, movements and expression experiences.

## Skills we will be working On:

### Language and Literacy

- Saying and printing the letters of our name
- Asking simple questions using the three (w) what, why and where
- Opposites, left / right directions
- Choosing to spend time with books

### Gross Motor

- Working on following the bike track and putting our feet on the pedals while steering and riding
- Jumping in co-ordination example, Simon Says to jump and stop.

### Math

- Counting our steps while walking
- Recognizing and naming our shapes
- Connecting number puzzle

### Important Dates

1<sup>st</sup> – Easter Monday (center closed)

15<sup>th</sup> – Science experiment: color changing flower where we are going to observe the flowers take the colour place in the vase.

22<sup>nd</sup> – Earth Day
