

School-Age May Calendar 2024

Classroom News

Welcome SA Families!

Important Dates:

- * 1st – May Day
- * 5th – Cinco de Mayo
- * 12th – Mother’s Day
- * 15th – International Day of Families
- * 17th – Family Event (Gardening)
- * 20th – Victoria Day
- * 24th – National Brother’s Day

Happy Birthday to all of those who celebrate!

Club of the Month:

This month we will be exploring different countries. The children are showing an interest in various countries and wondering about different facts they know about these places. This gives the children an idea to be inclusive about different cultures by having more learning opportunities in asking questions and finding connections within themselves.

Goal of the Month:

This month our classroom goal will be on 3.1 Verbal and Non-Verbal Communication. The children have been helping each other when they can’t remember the lyrics to songs and correcting their own sentence structures. We will continue to implement children’s choice in music and games to assist with this goal.

* Easy Homemade Fruit Pops

- o 1 large banana, cut into small pieces (frozen bananas work too)
- o 4 large fresh strawberries sliced or cut into small pieces (any type of fresh or frozen fruit will work)
- o 1/2 – 1 cups apple juice no sugar added, or other favorite fruit juice

Instructions

- o Add fruit to your popsicle mold (I use this one), alternating different kinds of fruit until the molds are filled almost to the top.
- o Gently fill the mold with juice, leaving at least 1/8 in headspace and place the popsicle stick inside. Freeze for at least 6 hours or overnight

Friendly Reminders:

- * Even though the weather is changing, remember to provide your child with weather appropriate clothing
- * Please remember to bring boots and an extra pair of indoor shoes
- * Also let the centre know via email or phone call if your child will be absent or picked up directly from school

If you have any questions or concerns, please feel free to contact Ruth or Cecille! ☺
