- 5th - World Teacher’s day
- 10th – World Mental Health Day
- 14th – Thanksgiving Day (Centre CLOSED)]
- 24th - Child Care Worker and Early Childhood Educator Appreciation Day
- 30th - Dhanteras
- 31st- Halloween/Diwali

Happy Birthday to all of those who celebrate!

Club of the Month:

This month the children have decided on the brain flake club. There have been amazing figures made using various pieces of the brain flakes. By matching the colours to an animal or robot they have come up with in their minds to create these neat masterpieces. This is enhancing their skills of 4.3 Representation in creating complex 3D constructions while engaging in complex socio-dramatic play.

Goal of the Month:

We will be working on Conflict Resolution and Social Problem-Solving Skills. The children are great at identifying solutions to conflicts. As well as, making logical connections between actions and consequences. We will continue to support each child in solving social issues.
