

Toddler Calendar

Classroom news:

We are so excited to welcome Fall and observe leaves changing colours and falling off the trees. Please note with the weather changing so often to send extra **labelled** clothes for your child as well as rain boots, warmer hat and extra socks.

Song of the month:

Leaves are falling
(to the tune of "are you sleeping")

Leaves are falling, leaves are falling,
On the ground, on the ground
Look at all the colours, look at all the colours
Red and brown, red and brown
(or yellow and brown, or orange and brown)

Important dates:

October 14th – Thanksgiving Day (centre closed)

Skills we will be working on:

Sorting

We will be working on sorting to notice and describe similarities and differences. We will be doing activities using colours and sizes.

Self-help Skills

Doing the flip trick to put on our jackets and attempting to zip it up.

Social skills

Interacting with peers and using language to regulate own behaviour.

Fine motor skills

Hand eye- coordination in constructing puzzles

Did you know?

Physical activities are important for growth and development of children because they help with:

- Healthy weight
- Strong bones and muscles
- Balance and flexibility
- Posture
- Relaxation.
- Self-esteem

Ideas for at home:

Sorting loose parts requires children to compare and classify objects according to specific characteristics. Sorting encourages children in developing problem solving skills, spatial awareness, pincer grasp and hand-eye coordination.
