Ideas for home:

Going on a nature walk and collect leaves. Bring them home and create art.

1. Gluing the leaves on the paper.
2. Using the leaves dip in the paint as brush to.
3. Tape the leaves to the paper and paint on top of the leaves and on the paper. Then take the leaves and tape off the paper and see the results.

Reminders:

We don’t want to admit it, but winter is just around the corner. Please update your child’s extra clothes for Terry Tan.

Your child will continue to go outside during the day at school and again in the afterschool program. Have extra mittens and sock as those are the items that tend to get wet/dirty the most.

Label your child’s clothing in efforts to help them keep track of it.

This Month:

With International World Kindness Day we will be talking a lot about kind things we can do and say to the people around us.

Book Club:

We started a Book Club since the FDK have been very interested in colouring, making books, adding words and talking about their drawings. This is a great way to enhance 3.8 Using and Understanding the Power of Literacy and 3.14 beginning to Write Letters of the Alphabet and Some High-Frequency. We will be encouraging the children to write their names on their work.

Places to Go:

A great place to go to follow up their interest is the Toronto Public Library there are many different locations you can check out and activities they offer. The library is free.
