### How Does Learning Happen?

**Belonging:** “Belonging refers to a sense of connectiveness to others, an individual’s experiences of being valued, of forming relationships with others and making contributions as part of a group, a community, the natural world.” (HDLH pg.7)

#### Activities to do at home

Create a bird feeder

- 1) Cut an orange or grapefruit in half & scoop out the fruit, leaving plenty of thick rind.
- 2) Using a skewer, poke a small hole on opposite sides of fruit half, about 2 cm from the top.
- 3) Thread a long piece of twine through the hole and knot ends to create a hanger.
- 4) Spread peanut butter onto each half and fill with birdseed.
- 5) Hang up outside and enjoy the show!
