Skills we will be working on:

Math Skills

- Identifying and creating a variety of patterns such as, a circle, triangle, square and rectangle. (4.18)
- Sorting objects and things into groups example colors and sizes

Fine Motor

- Dressing without assistance
- Mastering simple items of clothing (5.3)

Language and Literacy

- Choosing to spend time with books
- Making connection with stories and play (3.7)

Reminders

We are officially in the winter season, please remember to have the children dressed in jackets, hats, neck warmers, boots, gloves/mittens for those colder days approaching. Kindly leave one or two sets of seasonal clothing in their cubby.

Did You Know?

Reading aloud to preschoolers is a great way to encourage learning development and to help prepare your child for independent reading.

- Read with fun in your voice.
- Know when to stop.
- Be interactive.
- Read it again and again.

Ideas to do at home:

As the cold weather approaches you may find your family spending more time inside, but that doesn't mean less fun. Try having a dance party, playing some board games and building pillow forts.
