How Does Learning Happen?

Belonging:

Belonging refers to a sense of connectiveness to others, and individual's experiences of being valued, of forming relationships with others and making contributions as part of a group, a community, the natural world HDLH pg 7
As children play and begin to learn throughout the day, they observe and interact with one another. They learn to turn take, help one another, listen and learn while another is speaking and follow one another's lead. While interacting they use descriptive language they learn from their peers or educators all while having fun!

Ideas for You to Do at Home

Sort before you recycle

This recycling activity for preschoolers allows children to sort different items into different materials and put them into the correct recycling bins. <https://happytotshelf.com/recycling-activity-for-preschoolers/>
