Celebrating 54 years providing childcare in Etobicoke

From the Desk of Admin

As we celebrate Family Day this month! Please consider making this year memorable for you and your child/ren as you plan to do something extraordinary on this day. It may be that you spend the day in your Pajamas at home or that you make a visit to the zoo or local hill for some winter sports and end with hot chocolate and cookies. Whatever it is, make sure that it counts and that you spend time together – before you know it, they will be grown up and off on their own!

Valentine's Day

With Valentine's Day just around the corner, a reminder that due to extreme allergies, we have a **NO FOOD** policy. You are more than welcome to bring cards, stickers, erasers etc.

Income Tax Receipts **Reçus d'Impôts**

Special Dates

- 14th** – Valentine's Day
- 14th** – PA day no school for FDK or School Age children
- 17th** – Family Day – centre is closed, please enjoy the day with your family!

It is important that we are able to connect with you, especially in the event of an emergency! Please notify the centre if any of your contact information (email or phone) has changed.

Interesting to Note

Children love to run! And running in the hallway using loud voices is even more appealing.

Your children's Educators work hard each day to teach the children how to walk through the hallways with respect for the classes that are occurring as well as ensuring that they are safe as they travel during the many routines throughout the day.

It is amazing how quickly children seem to forget the rules when their parents arrive at the door! Please help us to maintain the expectations set out during the day by asking your child how they walk when they are with their Educator. In addition, please also remember that **ALL** children must always be with an adult – especially when dropping off or picking up your children.

ALLERGY AWARENESS

As many of you are aware, we are a "nut free" centre. Please take care that your child does not come into the centre eating or drinking from outside sources. It is amazing how many items that you may think are free from allergens that actually "may contain" on our list of items to avoid. Leave all items at home or in the car to ensure that everyone remains healthy and safe.

Thanks for your cooperation!
