14th – Valentine’s Day (No Food Items & Wear something Red or Pink)
14^h – P.A Day (Full Day Program)
17th – Family Day (Centre Closed)
26 – Hindu: Maha Shivaratri
26th – Pink Shirt Day (Wear a Pink Shirt)
28th to March 26th – Ramadan

Skills we will be working on:

This month has many celebrations that are about love and kindness. Our class has been focusing on working on what it means to be a kind friend and how we can do that. We will be working on random acts of kindness by doing or saying kind and thoughtful things to the people around us. We will be enhancing our 1.7 Empathy by sharing emotions, communicating and expressing feelings with adults and peers. The children will look at situations from another person’s perspectives and try to correct injustice.

Random Actions of Kindness Family Experience:

This month the children will making their own random acts of kindness jars to take home. We worked together to come up with 28 random acts of kindness for each day in February to be put in the jar. Each day the FDK and their grownups will pick something from the jar and complete the random act of kindness together.
