

Preschool 1

Skills We Will Be Working On

Gross Motor

- Increasing body strength by pulling and pushing sleds
- Taking giant steps in the snow
- Standing like a flamingo will increase endurance
- Gaining the ability to control their movements

Math / Literacy

- Connecting puzzles
- Choosing to spend time with books
- Counting
- Problem solving e.g. who's missing from the classroom

Did You Know?

February is the month of Black History. It is celebrated annually so that we can honour the legacy of Black Canadians and their communities. There are four colors generally associated with Black history which are red, green, gold or yellow, and black.

Important Dates

2nd – Groundhog Day
14th – Valentine's Day
17th – Family Day (center closed)

Safety Awareness

We are working on preschoolers regulating their speed when walking down the hall, regulating their volume, maintaining appropriate body space with their peers and letting adults/ educators open the doors.

How Does Learning Happens

Emotion Mood Face Chart

Expression:” Every child is a capable communicator who expresses himself or herself in many ways. Early childhood programs foster communications and expression in all forms” (How Does Learning Happen – pg. 23). The ways children can express themselves is by identifying and labeling their emotions. For example, I feel happy, excited, sad, angry, sick, or anxious.
