Song of the month: SING WITH ME!

My arms are for hugging. I love you
 My eyes are for seeing. Peek-a-Boo
 My ears are for hearing. "What did you say?"
 My mouth is for singing and talking all day.
 My tongue is for tasting. Yum, yum, yum
 My teeth are for chewing. Nom, nom, nom
 My fingers are for counting. 1, 2, 3
 Thank you for singing this song with me!

How does learning happen?

Preschoolers are naturally curious about the world around them. They touch, feel, hear, smell, and taste. Paying attention to what their senses are telling them can spark interaction and teach new words. This can happen anywhere: walking outside, playing together, riding on a bus, or while preparing dinner, etc.

Five senses
