Mindfulness

Spring is on the way! Take a walk in the park and listen to nature come alive: Animals scattering about and birds singing in the trees and bushes. Snow is melting and showers plenty. Listening to the rain is a great way to relax. Light up some scented candles and drink a warm beverage.

Reminders

With the snow melting and the rainy days, please remember to pack extra clothes, especially socks, so that your child has a change of clothes. Two sets are preferable as we go out in the morning and afternoon. Also, please keep an eye on the weather forecast and provide outer clothing that is appropriate for the changing weather. Layers are always best.
