Club of the Month:

This month, we will be hosting a Slime Club where children will explore various materials to create diverse textures of slime. Utilizing items such as water, hand sanitizer, and glue combined with pom-poms and googly eyes, the creative possibilities are endless. We will provide a range of instructions until we

collectively determine the most effective slime recipe.

Goal of the Month:

This month, our classroom focus will be on 2.3 Self-Esteem. It is essential to consistently acknowledge and celebrate each child's accomplishments to foster their sense of self-worth and self-esteem.
