Song of the Month

Sleeping Bunnies

See the sleeping bunnies sleeping until noon.

Shall we gently wake them with our merry tune?

Oh, so still? Are they ill?

Wakeup, sleeping bunnies!

Hop! Hop! Hop!

Wake up seeing bunnies!

Hop! And Stop!

How Does Learning Happen?

“**Families** are composed of individuals who are competent and capable, curious, and rich in experiences. Families love their children and want the best for them. Families are experts on their children. They are the first and most powerful influence on children’s learning, development, health, and well-being. Families

bring diverse social, cultural, and linguistic perspectives. Families should feel that they belong, are valuable contributors to their child’s learning, and deserve to be engaged in a meaningful way.”
