Club of the Month:

This month we will be doing a drawing club. The children have been very creative in coming up with very artistic pictures as well as the best stories for their illustrations. They have worked together using chalk on the pavement outside to using sparkly gel pens on multicultural paper in the classroom. We will continue to provide materials to use each day adding to their creativity.

Goal of the Month:

This month our classroom goal is focused on being mindful. Being able to develop thoughts, emotions, and surroundings to help us react thoughtfully instead of impulsively. This will improve emotional regulation while reducing stress. We can practise activities like deep breathing and stretches for a calm sense and well-being.
