

Preschool 1

Skills we will be working on

Math / Enjoying Literacy

- Counting
- Learning variety of shapes
- Color recognition
- Choosing to spend time with books
- Requesting different stories
- Making connection between books and stories.
- Saying and printing the letters of our name

Redirecting

Preschool 1 prioritizes children's safety in the classroom and on the playground. We encourage exploration while supporting important social skills, such as sharing, expressing feelings, communicating, and interacting with peers and educators. When children display challenging behaviors, we guide them toward a more constructive activity. This approach helps them develop appropriate behavior and reduces frustration.

Gross Motor

- Throwing and catching a ball
- Playing hopscotch
- Bouncing the ball and putting it in the basket / simple basketball
- Left and right movement when walking down the hall
- Pedaling bikes

Important dates:

15th – Family Day

20th – First day of summer

21st – Nation Indigenous People Day

24th – Planting seeds activity

Reminders

“As the season is changing, please remember to update your child’s clothing items. Labeling them will be helpful in keeping track of their belongings. Thank you!”

How Does Learning Happens?

“Young children experience their world as an environment of relationships, which affect virtually all aspects of their development” (pg. 23 HDLH).
