27th – Last Day of School

30th First Day of Full Day Summer Program at Terry Tan (Bring Your Water Bottle)

Family Planting Event TBD

Splash Pads:

As the weather heats up, a great way to keep cool *and* stay active is by heading to your local **splash pad**! It's fun for all ages and a fantastic way to enjoy the outdoors without breaking the bank.

👉 Just grab your towel, sunscreen, and some water-friendly shoes, and go make a splash!

Splash pad located Toronto

Reminders:

Our Full-Day Summer Program Starts June 30! Get ready for a summer full of fun, learning, and adventure! Just a few important reminders to help your child have the best experience:

- Please bring a water bottle every day to stay hydrated

- **2 extra sets of clothes** for water play and messy fun

How Does Learning Happen?

Working together with families, educators and the environment to benefit each child and help nurture their individual development. This month we will be having a family event and having each family plant flowers on our playground. We will also be continuing to taking care of plants in our classroom and grow more.

Image: Learning and development happens within the context of relationships among children, families, educators, and their environments.

Family Planting Event:

FDK Marigold Project 🌻

Our FDK students have been busy gardeners! They planted marigold seeds collected from last year's blooms and have been lovingly caring for them ever since. We're hopeful the marigolds will be ready to plant in mid-June, just in time for our upcoming Family Event. We can't wait to see their hard work blossom!

This Month:

Building Leadership Skills in FDK:

This month, we're focusing on developing leadership skills to help prepare our children to be confident leaders—whether in our classroom or their next learning environment. We'll be practicing leadership through everyday actions such as: Including new friends in our play, modeling classroom routines and rules for visiting friends, helping to keep our classroom tidy, sharing suggestions for fun and creative summer activities and much more! We're excited to see our young leaders grow and shine!

Time Capsule Reveal Coming Soon!

🕒 Last year, each child created their very own time capsule, capturing special memories, thoughts, and moments from that time. We're excited to announce that we'll be opening them at the end of this month!
