

Skills we are working on:

Motor Skills

- ❖ Practice fine motor skills by using scissors
- ❖ Practice using our pincer grasp when printing
- ❖ Engage in dance and movement activities

Math Skills

- ❖ Create and repeat simple patterns
- ❖ Adding small numbers

$$2 + 2 = 4$$

Social Skills

- ❖ Working on sustaining play
- ❖ Making decisions and choices and accepting the consequences
- ❖ Sharing experiences, relating and respecting each other

Important Dates:

May 05 – Librarians visit 9:30

TBD – Family Event

May 19 – Victoria Day (Centre Closed)

How Does Learning Happen?

The Ontario Early Years Policy Framework view children as competent, curious and capable of complex thinking. A lack of clutter, thoughtfully organized, aesthetically rich open – ended materials invite the children to make relationships, and to communicate their ideas in many ways. Pedagogical documentation promotes expansion on ideas, complexity and reflection.

Think, Feel, Act 2013

Reminders:

Please provide appropriate outdoor clothing in keeping with daily changing weather.

We are also looking for parent volunteers for our summer programming to come in for about a half hour in the morning (around 9:30 /10:00) to enrich our children’s learning by introducing them to different languages, various art forms, cultures and/or stories. Please connect with us if you would like to participate.
