Mom, I love you!

Mom, I love you
For all that you do.
I'll hug you and kiss you
Because you love me too!
You feed me and need me
To teach you to play.
So smile because I love you,
On this Mother's Day!

Mindfulness

With the warmer weather on the way, take the time to relax and breathe. It can be on a walk, in your backyard, at the park or in the bath. You can listen to the outdoors or you can listen to relaxing music. Take a walk by the water and just listen. If it's a warm day, take off your shoes and feel the grass in between your toes. Close your eyes and using all your senses, take in the environment. It's important to take time for yourself.

Reminders

Spring is here and so is the unpredictable weather. It is beginning to warm up! Please check the weather prior to coming to Terry Tan so that your child can be prepared for a fun time in the playground; whether, it's wearing rain boots on those rainy days or sweaters/jackets on those cooler days.

Skills we will be working on:

Pre-reading Skills:

- Looking at items that begin with the first letter of our names
- Describing what they have drawn/painted in their pictures

Math Skills:

- Placing items along a continuum
- Counting 1 to 20

Motor Skills:

- Practise hopping on one foot
- Working on controlling our body movements

Self-Help Skills:

- Practise doing up buttons/snaps
- Working on keeping our cubbies tidy

Science Skills:

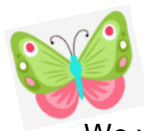

- Questioning what is occurring
- Making inferences on what is going to occur

Social Skills:

- Working on being helpful
- Using our words to express ourselves

Ideas for you to do at Home

- Practice dressing and undressing, including zipping, buttoning and snapping.
- Play 'I Spy' game. Depending on your child's knowledge, you can do colours, letters, numbers, etc.

Enriching the Program

We will be enriching our program by offering extra experiences, focusing on literacy, music, and creative movement.

We will have a person/s come into the room to lead these activities.
