Children will enjoy a fun-filled week of engaging activities, along with **morning and afternoon snacks** and a **delicious lunch** provided each day.

### Reminder and Learning Opportunities:

As the weather warms up and the snow starts to melt, we’ll have more wonderful opportunities for outdoor messy sensory play. This kind of play encourages children to explore their natural curiosity and is often enjoyed with friends in a lively group. It helps children develop language skills, gross and fine motor skills, teamwork, problem-solving, creativity, and so much more. We’ll do our best to keep them from getting too dirty, but we kindly ask that you send your child with extra clothes so they can enjoy the fun without worries.
