Ever wondered why March feels like a breath of fresh air? Perhaps it's the first hint of spring in the air, the longer days, or the excitement of holidays sprinkled throughout the month. March isn't just about saying goodbye to winter — it's a time of renewal, celebration, and fresh beginnings. This month is filled with fascinating holidays and a rich tapestry of history that might just surprise you. From cultural celebrations to seasonal changes, March offers many opportunities for learning, reflection, and joy. Let's explore this vibrant month together and discover all the wonderful moments it has to offer!

Important Dates:

- 8th - Day Light Saving Time
- 8th - International Woman's Day
- 16th - X Movement @ 9:30 am
- 17th - Super Science @ 2:30pm & St Patrick Day
- 20th - First Day of Spring

Happy Birthday to all of those who celebrate!

Club of the Month:

This month, the children have been creating spectacular art pieces using a variety of materials found around the room. It has been wonderful to see their imagination come to life through different textures, colors, and creative techniques. As they explore art together, we are focusing on expanding their thinking and enhancing their skills in **1.6 – Taking Another's Point of View**. The children are learning to listen to one another's ideas, share suggestions, and collaborate on projects. It has been exciting to watch them encourage each other, build on their peers'

thoughts, and work together to bring their creations to life.

We will continue to support their creativity, teamwork, and communication skills throughout the month and look forward to showcasing more of their amazing work.

Goal of the Month:

This month we're focusing on building strong reading habits! Whether it's reading together or exploring new books, every little bit helps. We're going to have reading be a fun part of our day and focus on 3.6 Reading
