

Toddler Newsletter 2026

Classroom News: April is here to bring big puddles to splash in, beautiful flowers to sprout and the perfect temperatures to enjoy all together.

Dates to Remember:

- 3rd - Good Friday (Centre Closed)
- 5th - Easter Sunday
- 6th - Easter Monday (Centre Closed)
- 22nd - Earth Day

Happy Birthday to all those that celebrate this month!

Skills that we are working on:

Emotional Skills: (2.3 Empathy)

Continue to practice:
Showing awareness of own feelings
and the feelings of others
Showing concern for others demonstrated
with caring behaviour

Communication, Language and Literacy Skills: (3.2 Expressive Language - Sentences)

Using simple sentences
Using compound sentences
Engaging in pretend play that
includes language

Did You Know?

There are lots of baby animals born in April like the cute fluffy bunnies hopping close to home, the wobbly lambs learning how to walk and the little chicks following their mama. For toddlers it's a sweet reminder that April introduces growing, exploring, and taking first steps like the cute baby animals do.

Ideas At Home:

Going on a nice nature walk collecting items to create a collage that you can make together. Looking for leaves, sticks, small rocks or petals from fallen flowers to glue on a paper, can create a wonderful masterpiece/memory of the lovely walk.

Reminders:

Spring weather can change often, kindly send labelled splash pants, rain boots and extra socks.
