

Toddler 1 Calendar

Skills we will be working on:

Pre-reading and Language Skills

- 2.6 Recognizing their name on the cubbies and the shoe shelf
- 3.3 Receptive language – Understanding and following the actions in the action songs

Math Skills

- 4.12 “5 little monkeys” – practice counting to 5 through the song
- Naming some simple shapes

Gross Motor Skills

- 5.1 Simple basketball game with the small hoop to practice hand-eye coordination
- 5.4 Practicing sensory motor integration skills by chasing bubbles to pop them

Self Help Skills

- Rolling their sleeves up before the hand-washing routine
- Practice putting their shoes on and off with limited assistance

Social and Emotional Skills

- 1.1 Practice turn taking in play
- 2.2 Working on behaviour and emotional regulation when being redirected

Important Dates

April 3 & 6 – Good Friday and Easter Monday
(Centre closed both days)
April 12 – Orthodox Easter
April 22 – Earth Day

Idea to do at home

Go on a Spring scavenger hunt!

This is a fun idea to do with your toddler(s) in the upcoming warmer days! Simply go for a walk, print the scavenger hunt list, and try to find the listed things together. Encourage your child(ren) to label the things they see, talk about the colours and sounds around you, or just let them use their senses to feel the things around them! 😊

<https://simplecraftyfun.com/2024/03/free-printable-spring-scavenger-hunt-for-kids/>

Gentle reminder

With the change in season and the weather still being unpredictable, please try to have a variety of clothing options available for your child(ren). For example splash pants, rain boots/winter boots, lighter jacket/thicker jacket, layers, a hat, and a pair of gloves. The mornings could still be cold with warmer afternoons, so we want to make sure that everybody can enjoy outdoor time comfortably! Thank you for your cooperation 😊

Program Enrichment

We will have a person come into the room to do the following activities with the children:
Week 1 – “Music”
Week 2 – “Yoga”
Week 3 – “Early Literacy”
Week 4 – “Creative Movement”
