- Using words such as please, Can I and Thank you.

Math Skills

- Counting from 1 to 10 English – French - Spanish
- Sorting objects by size and colors

Motor Skills

- Practice standing and balance on one foot
- Practise holding a writing utensil using a pincer grasp

Self Help Skills

- Pulling pants up and down during washroom routine
- Practice opening shoes and putting them on independently

Science Skills

- Labelling basic colours and finding objects that are the same colour
- Identifying nature sounds eg. Birds chirping, dogs barking, wind blowing etc

How Does Learning Happen?

Every child has a sense of belonging when he or she is connected to others and contributes to their world. Every child is developing a sense of self, health and well-being. Every child is an active and engaged learner who explores the world with body, mind and senses.

Pg 12 How Does Learning Happen?

Science activities to do at home

A sensory experience that combines science, fine motor skills, and imaginative play.

Let's make a healthy smoothie!

This is how to do it...

Reminders:

Please make sure you provide extra clothing for your children in their cubbies and make sure items are labelled.

Ensure your child arrives with a sun hat, and that they wear closed toe shoes at all times for safety reasons.

Thank you.
