

### From the Desk of Admin

Hello everyone!

We would like to wish Christine all the best as she departs for her maternity leave and welcomes a new addition to her family. We would also like to welcome Hazel as the Supervisor to our Bloordale team. A staff by the name of Rhea will be joining us in the infant room and we would like to wish Mehmet all the best as he moves to our Eatonville location.

Just a reminder to all families to please refrain from bringing any food items into the classrooms whether it be in your hands, children's backpacks or otherwise as there are many children with allergies. We can't stress this enough!

Thank you for your attention to this.

We hope and trust the Parent App is working well for families. Please ensure you have downloaded the app to your phone and are referring to this so that you are aware of any and all information that is being shared.

Thank you.

Preschool families, with children attending Kindergarten this year, email the office with your withdrawal date as soon as possible, if you haven't done so already. A reminder that there is a 1-month withdrawal notice.

Thank you everyone.
