

SCHOOL AGE SEPT 2026 CALENDAR

Classroom News!

Hello SA Families!

As summer begins to wind down, we look forward to welcoming the new school year with excitement and anticipation. We are delighted to welcome several new peers and their families to our SA program. We look forward to getting to know each of you and building a wonderful year of learning, growth, and connection together!

Upcoming Important Dates

7th – Labour Day (Centre Closed)
8th – 1st Day of School for FDK/SA
22nd – Fall Solstice
30th – National Day for Truth and Reconciliation

Club of the Month:

We have been observing the children's growing interest in **cause-and-effect science experiments**, both through planned indoor activities and natural explorations taking place on the playground. We will continue to support and extend this learning by providing opportunities for children to explore, experiment, make predictions, and discover how things work. These experiences will help strengthen their skills in **4.5 Inquiry** while also supporting **3.3 Conversing with Peers and Educators**, as children share their observations, ideas, and discoveries with one another and with educators.

Goal of the month

This month our classroom goal is to work on our ability to positively interact and support each other especially during this time when the new school year has started. We will be using empathy and perspective taking to regulate our emotions and behaviour within the classroom.

Family Resources

[Cabbage Town Festival](#) -12-13, 2026

[Toronto BuskerFest](#) - 4-7, 2026

[Toronto Ukrainian Festival](#) - 12-14, 2026

[The Word on the Street Festival](#) - 27-28, 2027

- The weather is beginning to change with the new season coming. Please remember to have the children dressed in coat/jackets for those cooler days.
- For those rainy days please remember to bring boots and an extra pair of indoor shoes.
- Please contact the centre via email or phone call if your child will be absent or picked up directly from school.

If you have any questions, feel free to contact Victoria or Mehmet! 😊
