Dear Families,

As Summer winds down and new routines begin, we would like to take this opportunity to "thank" all the families that will be leaving us this month. We hope that your time with us has been just as memorable as our time with you. Best wishes to everyone.

We would also like to welcome new families joining our centre.

We are excited to announce the installation of our new video intercom system.

As part of our enhanced safety measures all exterior doors will remain locked at all times.

When arriving at the centre please use the video intercom to contact a staff member for access.

Thank you for your patience and cooperation as everyone becomes familiar with the new system.
