Celebrating 55 years providing childcare in Etobicoke

Message from the Administration Desk

As we welcome November, we are reminded of the importance of gratitude, reflection, and community. We would like to extend our sincere appreciation to our families for your continued support, partnership, and trust. Working together creates a strong foundation for children's growth, learning, and well-being.

This month, our educators will continue to provide meaningful, play-based experiences that support children's curiosity, independence, and development through the principles of *How Does Learning Happen?*. We encourage families to stay engaged by reviewing classroom documentation and sharing your child's interests and experiences from home.

As temperatures begin to drop, please ensure your child arrives each day with weather-appropriate outdoor clothing, including a warm coat, hat, mittens, and boots (when needed). Outdoor play remains an important part of our daily program and supports children's physical health and overall well-being.

We look forward to continuing to build strong relationships with our children and families throughout the season.

Thank you for being an important part of our centre community.

11th – Remembrance Day

20TH - Photo Day (starts at 9:00am)

We are excited to announce that Picture Day will take place on November 20!

Individual and class photos will be taken for children in our Infant, Toddler, and Preschool programs.

Please note that FDK and School Age children will not have individual photos taken at the centre, as their school photos have already been completed through the school board. However, FDK and School Age children who have a younger sibling enrolled in our Infant, Toddler, or Preschool programs are welcome to participate in a sibling photo.

To help ensure all children are included in their class and individual photos, please have your child arrive at the centre by 9:00 a.m. on Picture Day.

More information regarding photo packages and ordering details will be shared the pictures are done.

We look forward to capturing these special memories!

Daylight Saving Time Ends

Don't forget to turn your clocks back one hour when Daylight Saving Time ends. It's also a great time to check and test your smoke and carbon monoxide detectors, replace batteries if needed, and review your family's home fire safety plan.
