October 2026

Celebrating 55 years providing childcare in Etobicoke

From the Desk of Admin

Welcome to October

As we step into October, our centre is embracing the cozy shift into fall—crisp mornings, colourful leaves, and new opportunities for learning and exploration. This month brings a sense of warmth and community, and we look forward to sharing meaningful moments, seasonal activities, and continued growth with your children. Thank you for being part of our centre family.

This month, we take a moment to recognize and celebrate the incredible Early Childhood Educators and childcare workers who bring our centre to life each day. Their dedication, creativity, and genuine care make a meaningful difference in the growth and well-being of every child. From nurturing early milestones to creating joyful learning experiences, our team are the heart of our community. We are deeply grateful for all they do.

Board and Staff News

Next Board meeting will be Oct 14th @ 7pm via ZOOM.

Please notify Michelle if you would like to attend.

Terry Tan Child Centre closes at 6 pm.

Please notify us as soon as possible if you anticipate that you will be late picking up your child. Also note the late fee will be imposed.

Important Dates & Reminders:

12th – Thanksgiving – Centre will be closed

21st - Child Care Worker and Early Childhood Educator Appreciation Day

31st – Happy Halloween to everyone who celebrates!

Halloween Safety Tips

As we head into Halloween, we want to help ensure a fun and safe evening for all families. Please keep an eye on little ones during trick-or-treating, choose costumes that allow for easy movement and visibility, and remind children to walk—never run—between houses. For added safety, consider reflective clothing or glow sticks, and always check treats before enjoying them. Wishing everyone a safe and happy Halloween!

Fall Health Tips for Children and Families

As we move into the fall season, it's important to keep children healthy during cooler weather and busy routines. Toronto Public Health reminds families to support wellness with a few simple habits:

- regular handwashing,
- dressing children in layers for changing temperatures,
- keeping up with nutritious meals,
- staying home when feeling unwell.

These small steps help reduce the spread of seasonal illnesses and keep our community healthy.

For more guidance, families can visit Toronto Public Health's website for up-to-date information and resources.
