**Preschool 1**

## Important Days:

Time Change – November 1st

*(move clocks back 1 hour)

Picture Day – November 6th

Remembrance Day – November 11th

## Song of the month

**5 Hungry Ants, by Joan Hilyer Phelps**

Five hungry ants marching in a line,

They come upon a picnic where they could dine.

They marched into the salad,

They marched into the cake,

They marched into the pepper

Uh-oh, that was a mistake!

**Aa aa aa aa-CHOO!**

**Sneeze in your elbow, keep the germs away!**

Four hungry ants marching in a line...

## Extended Music and Movement with Karen

November – 10

November - 24

## Skills we will be working on:

### Cognitive skills:

-Sorting objects by shape and colour

- Understanding cause and effect

- Developing memory and attention span

### Language skills:

-Expending vocabulary & using full sentences

-Engaging in conversations & storytelling

-Asking & answering questions

### Social and Emotional skills:

-Sharing and taking turns

-Expressing emotions appropriately

### Physical Experiences and Fine Motor skills:

-Playing ball games (throwing, catching)

-Drawing, colouring and cutting with scissors

-Exploring music, dance and movements

## Ideas to do at home

### Sugar Water Painting

Watch with your child as the colours flow & swirl in the most delightful ways!

| | | |
|---|---|---|
| Sugar | ¼ cup | Paint brushes |
| Warm water | ¼ cup | Small cups (mixing) |
| Water colour paint | | Watercolour paper |

Mix sugar and warm water until fully dissolved, then cool slightly. Lay paper flat. Paint the sugar solution directly onto a paper. Dip a brush into your paint & gently dab it onto the sugary surface. Wow!

## Cold season is approaching

Please provide your child with warm clothes: splash pants, a hat, a jacket and light mittens

*Label all belongings!*

This helps keep children comfortable during outdoor play. Thank you for working together.
