

Preschool 1 October 2026

Five little pumpkins sitting on a gate
The first one said "Oh my, it's getting late!"
The second one said "There are witches in
the air,"

The third one said "But we don't care!"
The fourth one said "let's run and run and
run!"

The fifth one said "I'm ready for some fun!"
"Ooooooh" went the wind and "out" went the
lights

And the five little pumpkins, rolled out of
Sight

Thanksgiving is a time to spend with our family and friends. It's a time to reflect and a time to give thanks for all that we have. It's also a time to give to those who need some extra help. This is also a great opportunity to educate our children to give back to our community. One way we can do this is to donate unperishable goods. Take your child with you to a fire station, church or any other place that accepts items to donate. Another way to help is to go through your children's clothing and toys and donate items that do not fit or toys that your child doesn't use anymore. It's never too early for our children to learn about giving.
