What We Are Working On:

3.1 Using verbal and non-verbal communication and 3.6 listening to others
 By Practising

- Having and creating simple conversation scenarios
- Looking at each other when talking
- Giving full attention
- Learning no-verbal cues
- Responding appropriately
- Asking follow-up questions
- Waiting to speak
- using facial expression and tone matched to the content of their communication
- Saying the person name when starting to talk to them to let them know they are they are being spoken to

2.1 Self-concept by developing responsibility for themselves during dressing and eating routines and in daily living.

4.12 Counting by counting in meaningful ways in play and daily living.

Reminders:

As the weather changes please dress your child in layers. This way they have options for the changing temperature throughout the day. **We also need a pair of indoor shoes if your child is wearing boots.**
