Classroom News!

Hello SA Families!

The school year has begun beautifully, and our students have settled into their routines with excitement and enthusiasm. While the weather is starting to cool down, that has not stopped the children from enjoying time outdoors. They continue to laugh, play, explore, and run around with their friends, making the most of the beautiful fall scenery around them. It is wonderful to see them embracing the season while creating happy memories together each day.

Upcoming Important Dates

8th – Indigenous Veterans Day
11th – Remembrance Day
20th – National Child Day

Club of the Month:

We have been delighted to observe the children's growing interest in arts and crafts activities. Whether they are drawing beautiful pictures, creating colorful beaded bracelets, or developing their own storybooks to share and read with friends in the classroom, the children are expressing their creativity in meaningful and exciting ways.

We will continue to support this learning by providing a variety of creative experiences that encourage children to strengthen their skills in **Representation (4.3)**. As they take pride in their creations and share their work with others, they also develop a stronger sense of **Self-Esteem (2.3)** and confidence. These opportunities help foster positive social interactions and encourage the development of meaningful friendships, supporting children's sense of **Belonging (1.1)** within our classroom community.

Goal of the month

This month, our classroom goal is to continue supporting the children's ability to interact positively with one another and build caring, respectful relationships. As some children are still settling into the classroom and adjusting to daily routines and transitions, we will encourage them to support one another through kindness, patience, and understanding.

We will continue fostering empathy and perspective-taking skills as children learn to recognize and understand the feelings of others. Through these experiences, they will develop strategies to self-regulate their emotions and behaviors, both in the classroom and on the playground. By working together, solving problems, and showing compassion toward their peers, the children will continue to strengthen their social skills and build a positive and inclusive classroom community.

Family Resources

The Royal Agricultural Winter Fair –
Nov 6-15, 2026
Toronto Game Expo –
Nov 7-8, 2026
Niagara Falls Winter Festival of Lights –
Nov 14, 2026 – Jan 10, 2027
Bricks in the Six –
Nov 13-15, 2026

Gentle Reminder

The weather is starting to change with the new season upon us. We encourage the parents to continue being mindful of the weather daily and remember to have the children dressed warmly for those colder days.

Please contact the centre via email or phone call if your child will be absent or picked up directly from school.

If you have any questions, feel free to contact Victoria or Mehmet! 😄
