

Toddler 2 Calendar 2026

Important Days:

- November 1st – Daylight Savings Ends (turn clocks back 1 hour)
- November 6th – Picture Day
- November 11th – Remembrance Day
- November 20th – National Child Day

Picture day is on the way!
This year picture day will take place on **Friday, November 6th**

Things we are working on:
2.1 & 3.2 Expressing emotions, needs, and making verbal requests to educators and peers

2.5 Taking responsibility when dressing (doing the jackets flip trick) making choices without being prompted

3.1 Listening to longer and more complicated stories

4.4 Helping to sort and tidy toys by putting them in the correct baskets

5.1 Continuing to master walking up and down stairs

As the cold weather is officially here, our toddlers are also practicing being independent while exploring all the textures of late fall during both indoor and outdoor physical experiences. Please ensure your child has all of their clothing labeled.

- Winter Coat
- Winter Pants
- Warm hat
- Water- resistant mittens
- Winter Shoes (boots)

Please, make sure to provide extra clothing in your child's cubby and please take home any extra clothing that is not needed.
Thank You!

Enrichment Program

Throughout the **summe**r season till now, we've been very fortunate to have **Miss Karen**, who has been visiting all the classrooms for our Centre-wide **Enrichment Program!** Our toddlers always get excited when it is our turn to host her. Throughout **November**, she will continue bringing her wonderful, interactive learning activities (music) into our space to help our little ones explore, build new skills, and thrive. We are so grateful for the consistent joy and growth she brings to our centre every other week!
